**About Webinar:** 8th March is celebrated world wide, as the International Women's Day . The theme for International Women's Day 2022 is Break the Bias. The idea behind this celebration is to appreciate women's role in making of a great nation .This day is a time to underline women's empowerment and treat them with respect.

National Webinar on International Women's Day is organised with a purpose to communicate with today's generation and educate them about the Indian laws for women. One of the objectives of this webinar is also to present the condition of today's women in balancing between house hold responsibilities and work to create a better tomorrow for coming generations and to strengthen the nation. It will also highlight importance of women's safety and education in today's India.
