

GOVERNMENT OF MAHARASHTRA  
**ELPHINSTONE COLLEGE**

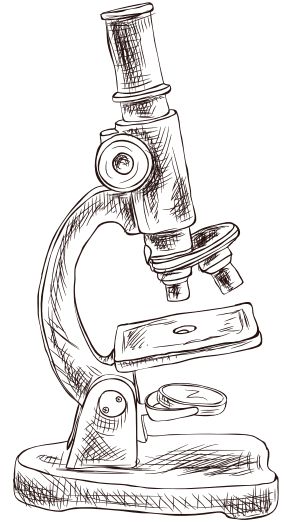

DEPARTMENT OF BIOTECHNOLOGY  
PRESENTS

WE INITIATE .WE ADD .WE CREATE...

 **PRIMERS**

**2023**

**SCIFI**

WE ARE NOT STRANGERS TO THE WORLD OF SCIENCE FICTION, BUT DOES IT REALLY WORK HOW ITS DEPICTED IN THE MOVIES? INFACHT THE TRUTH CAN BE SOMETIMES EVEN STRANGER THAN SCIFI BOOKS AND MOVIES. BUT HOW RELIABLE DO YOU THINK SCIENCE FICTION IS? AND HOW MUCH OF IT CAN YOU TRANSLATE INTO REALITY? WE ARE HERE TO MANIFEST OUR POINT OF VIEW WITH A SCIENTIFIC TWIST. KEEPING THAT INTO MIND, LET US UNVEIL OUR THEME TO YOU . SCI FI

**23<sup>RD</sup> JANUARY 2023**

- GUEST LECTURE
- SHOWCASE THE STUDY
- PICTONARY
- POSTERLAND
- DAILY DOPAMINE
- LAB STORIES

**24<sup>TH</sup> JANUARY 2023**

- GUEST LECTURE
- BIOTECHXILLENCE
- THE HAWK EYE
- QUIZPHILIC
- AGAR ART

# MAIN EVENTS

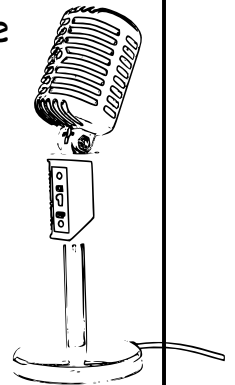

## 1. SHOWCASE THE STUDY:

1. The Research Presentation can be based on any research paper or it can be your own research work related to Life science.
2. Research Presentation will be conducted in Hybrid Mode i.e. both online and offline.
3. There will be a selection process and only the selected candidates will be notified via email (Please check your spam folder also).
4. Participants should submit the abstract by 15 January 2023 through Registration link.
5. It is an individual event where each participants will be provided with 10 minutes for their presentation.
6. Question answer sessions will be followed by research presentation.
7. All participants will be awarded certificates and winners will be awarded certificates with exciting prizes.

## 2. BIOTECHXILLENCE:

*Grab the mic and lead the world!!!*

1. 5 minutes will be given to think and 2 minutes for the delivering the speech.
2. Stay relevant to the given topic.
3. Registrations are open till 20 January 2023.
4. All participants will be awarded certificates and winners will be awarded certificates with exciting prizes.

## SIDE EVENTS

### 1. AGAR ART:

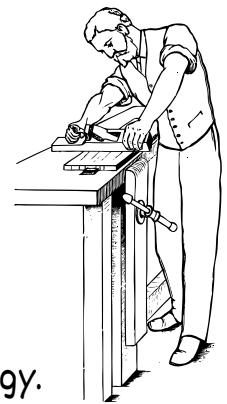

*Lets get crafty with microbes!!!*

1. Participants should prepare the agar art in their respective colleges and present it on 24 January 2023.
2. Registrations will be open till 20 January.
3. Only bacterial or fungal cultures can be used, which should be non-pathogenic.
4. Petri dishes should be sealed with paraffin.
5. Agar art should not be plagiarized .
6. Participants must give their artwork a title and a short description of the theme/topic and the organisms used.
7. All participants will be awarded certificates and winners will be awarded certificates with exciting prizes.

### 2. Pictionary:

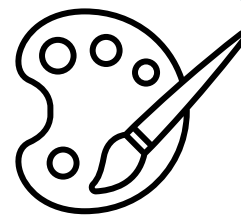

*So you think you can draw!*

1. Participants must participate in pairs of 2.
2. The participants will be given a word related to biotechnology.
3. One member will draw the word and the other member will have to guess it.
4. The participants will get 2 minutes to draw and guess.
5. The participants should follow rules and guidelines of the volunteers and play fairly.
6. All participants will be awarded certificates and winners will be awarded certificates with exciting prizes

### 3. POSTERLAND:

*"Affiche of your inkling"*

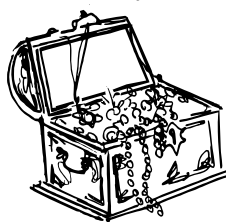

1. Participants must participate individually.
2. The Poster should be hand made.
3. The Poster should not contain any obscene language or images.
4. The Poster should not be plagiarized from internet or any other source.
5. The participants should prepare the Poster prior to the event and present their posters on the event day.
6. The participants must explain the idea behind their poster.
7. The Posters will be judged on the basis of the participant's explanation and the visualization of the poster.
8. All participants will be awarded certificates and winners will be awarded certificates with exciting prizes.

- TOPICS:**
1. Life Sciences: Sciences in daily life.
  2. Wonder of Vaccines.
  3. Bio+technology: the combination that changed the world.

### 4. THE HAWK EYE:

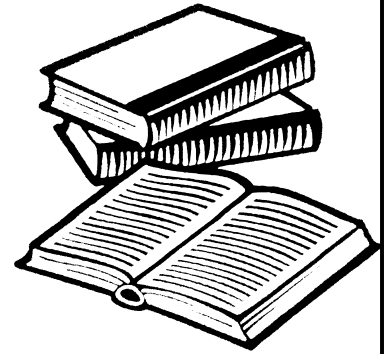

*Decipher the riddles to get upshot !!!!!*

1. Teams have to first register for participating in the event by filling the Google form.
2. There should be 4 members in a group.
3. Participants should arrive 30 minutes prior at the venue on the day of the event.
4. At the venue, instructions will be given which participants have to follow.
5. If caught cheating or misbehaving, the respective group will be disqualified.
6. All participants will be awarded certificates and winners will be awarded certificates with exciting prizes.
7. Limited Registrations available, HURRY!!!!

## 5. QUIZPHILIC

*Sprint your Brain !!!!!*

1. The event consist of various amazing round such as
  - Insightful - make it obvious
  - Cast a spell - spell the word given
  - Tocsin - Ring the bell
  - Lighting - A rapid fire round
  - Knockout - kick in all knowledge to win
2. Participation has to be in team of two members and registration must be done using google forms.
3. Questions will be based on Science
4. All participants will be awarded certificates and winners will be awarded certificates with exciting prizes.
5. Limited Registrations available, HURRY!!!!

**NOTE : Rounds are not mentioned in sequential order**

# SOCIAL MEDIA EVENT

## 1. DAILY DOPAMINE:

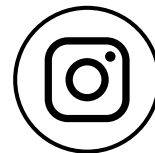

*Can your meme boost our Dopamine ???*

1. Memes should be based on the theme
2. It should not be plagiarized or contain any obscene language/images.
3. Description, caption and Hashtag should be provided by the participants.
4. Last date of Submission is on 15 January 2023 till 12:00am.
5. On 16th January memes will be uploaded on our official handle.
6. Till 22nd January 12:00am the likes will be counted.
7. Winner will be decided based on the number of likes and will be announced on 24 January 2023.
8. Winners will be declared online on our official handle.
9. All participants will be awarded certificates and winners will be awarded certificates with exciting prizes

## 2. LAB STORIES:

*Capturing from reel to real*

1. Participants should shoot their reels in science labs only; show us what happens in your college Lab eg:- Experiments.
2. Reels should not contain indecent language.
3. Last date of Submission is on 15 January 2023 till 12:00am.
4. Reels will be posted on our official Instagram handle on 16 January 2023.
5. Likes will be counted till 22nd January 12 am
6. Winners will be announced on the event day based on the Instagram likes.
7. All participants will be awarded certificates and winners will be awarded certificates with exciting prizes
