ABOUT THE COLLABORATING INSTITUTIONS

Post Graduate Teaching Department of Zoology, RTM Nagpur University-Nagpur, was established in the year 1963 to impart higher education (teaching and research) in Zoology. The existing building has 1551.74 Sq. m. built up area in the Mahatma Jyotiba Fule Educational Campus. The department runs two programs, a two-year Master of Science (M. Sc.) degree and Doctor of Philosophy (Ph.D.) degree by research.

The department has sufficient space and the laboratories for post graduate teaching and research activities. The department has also its separate departmental library with latest collection of text-books, reference books for M.Sc. students and a number of journals of basic and applied nature useful to conduct researches in the areas of endocrinology, physiology, immunocytochemistry, cell and tissue culture, reproductive biology, and neurobiology. The department has four specialization- Entomology, Fish and Fisheries, Animal Physiology and Mammalian Reproductive Physiology. Two major developments have happened in the recent past, RTM Nagpur University has been re-accredited with an "A" grade by NAAC and the department of Zoology, RTMNU has been granted autonomy.

Hislop College-Nagpur, a prime educational institute and a place for higher learning and research institute administered by the Church of North India (CNI) has a history of more than 138 years. It is the oldest college of central India. The entire education scenario in central India has emanated from Hislop College since the first few teachers of the region received their education in this college. The college predates RTM Nagpur University and has provided several educational leaders to the university including the first Indian Vice-Chancellor. The college had contributed equally well to educate the nation as a whole. Several eminent scientists, artists, philosophers, journalists, engineers, doctors, judges, administrators and leaders have walked its corridors. The college has all three faculties- Arts, Science and Commerce. It is a pioneer in several post- graduate courses spread across the three faculties. It has the most sophisticated labs in central India, a faculty which will be a cynosure of any college and most importantly, has the will to be trendsetter in modern education. The college has contributed extremely well in the field of research by organizing various symposia, conferences and workshops of national and international level.

Elphinstone College-Mumbai, one of the oldest colleges, was established in 1856 and affiliated to University of Mumbai. Presently this institution is a constituent college of Dr. Homi Bhabha State University, Mumbai, which is the first cluster University in Maharashtra. The college occupies a unique position in the annals of higher education in the country. The building of the college with its gothic architecture has been classified as a Grade I heritage structure and was awarded the Asia-Pacific Heritage Award for Culture Heritage Conservation by UNESCO. The college has a Library with a rich collection of over one lakh books. The Elphinstone College has been re-accredited with 'A' grade by NAAC and is rated as one of the best colleges in Mumbai. The college has many distinguished alumni who have made a mark in various pursuits such as academics, judiciary, media and literature, performing arts and sports. To name a few, Dadabhai Naoroji, M.G. Ranade, Lokmanya Bal Gangadhar Tilak, Dr. B. R. Ambedkar, Dr.Homi Bhabha, Justice Y. V. Chandrachud, Justice Sujata Manohar, Nirupam Bajpai, Ajit Wadekar, Kishori Amonkar, Jerry Pinto, and many more.

K. Z. S. Science College-Bramhani Kalmeshwar, run by Dr. Bhabha Vidnyan Lokshikshan Sanstha Kalmeshwar was established in 1992. It started with two basic combination of science subjects- Physics, Chemistry, Mathematics and Chemistry, Botany, Zoology. The college is affiliated to R. T. M. Nagpur University Nagpur. The college is located in the rural area of central India and caters the need of the students pursuing basic science subjects in the under-graduation course. "Tamoso Ma Jyotirgamaya" is the mission of the college. The college has been re-accredited by NAAC with Grade 'B'. This single faculty college's with its competent teachers are conducting research in their respective fields through different government research project.

Dada Ramchand Bakhru Sindhu Mahavidyalaya-Nagpur, is a premier institute of higher education which believes in inculcating students the confidence to face world bravely by imparting the best education and providing them avenues to progress. This institute has earned a good name and fame in the vicinity as well as the circle of higher education. Institute was founded in 1971 and this year it is commemorating its golden jubilee. The institute has the largest intake capacity, the highest number of on-roll students and well - equipped research facilities.
