Date: 29th November 2017

About the College

Elphinstone College is one of the premier institutions in the field of higher education in the country. The list of alumni nurtured by the College testifies the commitment of the College towards excellence in the field of higher education. Over the past 161 years, Elphinstone College has established itself as an institution of learning to reckon with, both within and outside country. Besides the aided courses in humanities, commerce and the science stream, the College offers unaided courses of B.Sc. in Information Technology and Bio-technology.

The College has been recently re-accredited with an 'A' grade by NAAC.

About the Workshop

University Grants Commission has recently introduced amendments in the performance indicators for promotion and placement of teachers and other academic staff in Universities and Colleges.

It is imperative for teaching community, the college administration and IQACs to understand these amendments clearly to facilitate the process of the promotion at different stages. Keeping this goal in mind Internal Quality Assurance Cell of Government of Maharashtra's Elphinstone College plans to organize a one day workshop on

Academic Performance Indicator (API) for College teachers: Current Amendments & E Content' on 29th November 2017.

The main aim of this workshop is to understand the intricacies of the amendment and to provide guidelines to the teachers about necessary steps required for their promotion. Since preparation of E-Content is a major component of the amended performance indicator, an entire session of the workshop has been dedicated to receiving expert guidance on understanding the E-Content and skill required to prepare it. This should indeed be of immense value to the entire teaching community and to especially those members of the teaching fraternity who are yet to receive the benefits of Sixth Pay Commission under CAS. With implementation of the Seventh Pay Commission for College and University teachers round the corner, the workshop is sure to provide valuable insights to the teachers regarding the expectations of the UGC from the teachers as knowledge dispensers, how they should plan their activities that will facilitate advancement in their profession. We also plan to have a session on Q & A in this workshop so that all the necessary guidance may be given to the teachers.

Program Schedule:

- 10:00- 10:30 Tea & Registration
- 10:30-11:00 **Inauguration by Dr. Dhanaraj Mane, Hon. Director, Directorate of Higher Education, Government of Maharashtra, Pune**
