CONTACT DETAILS

Students should note that:

1. Students should note that choice of subjects will be discussed only at the time of admission. Expect at least a day for teachers to revert to other queries.
2. Avoid making phone calls.
3. There are limited seats for each subject, and these will be allotted only by merit.
4. Hostel admissions are based on reservation, merit, and distance. Students from MMR region (Near Mumbai) will not be considered for hostel admission. All rights for hostel admissions are vested with the Joint Director of higher education, Mumbai region. Applications can be made on their website separately when the process begins and hostel administration share a link.
