(copy-Paste the link in the browser if it does not open by Ctrl+Click)

NOTE:
1. All First Year admissions will be as per NEP for 4-year graduation programmes.
2. Admission Committee for each class will guide students in selecting subjects as per NEP.
3. Students will register online on the link given on the college website. Thereafter, students whose names appear in the merit list will come to Elphinstone College with a printout of the online form without fail
4. Students will also carry their original documents for verification.
5. The admission Committee will help students complete the admission process including payment of fees.
6. In-house students (those who were in Elphinstone College in junior college) will complete their admission process upto June 07, 2023, after which they will be treated on par with other applicants.
7. Students will give preference of two subjects for Major. The final allotment will be based on merit after the second merit list admissions are completed.
8. Any changes in dates will be communicated on the college website.
